

DIAMOND BENEATH YOUR FEET

SCHOLARSHIP APPLICATION

(Only Indian scholars are eligible for this scholarship)

Read Carefully: *The 'Diamond Beneath your feet' Scholarship is founded by International Institute of Medical Science & Technology Council (IIMSTC) on the principle that true brilliance lies not in privilege, caste, creed, or wealth, but in the pure intelligence of the seeker. It is a beacon for scholars whose minds shine like diamonds—refined through discipline, inquiry, and perseverance.*

This scholarship recognizes only merit, ensuring that no economic disparity, social division, or inherited advantage can overshadow the light of intellect. It is a celebration of equality, where every candidate stands on the same ground, judged solely by the strength of their knowledge and the clarity of their thought.

In essence, the Diamond Scholarship affirms that the nation's future rests upon the brilliance of its youth, and that intelligence alone is the true currency of progress
